CAS Rules of Procedure for the Actuarial Board for Counseling and Discipline

The CAS relies on the Actuarial Board for Counselling & Discipline (ABCD) to perform the investigation for all discipline complaints *except for those with existing cross-border agreements*. The only such cross-border agreement as of now is with the Canadian Institute of Actuaries. Please click here to access the agreement.

We are also involved in a potential joint agreement with the other US-based actuarial organizations with regard to discipline. Please click here to access the proposed joint discipline agreement.
