Janka Schuld, Actuary (DAV)

Manager, PwC Singapore

Janka is a manager at the actuarial practice of PwC Singapore. In 2006, she started working at PwC's Frankfurt office and has recently relocated to PwC Singapore. Since 2010 Janka is a qualified actuary and a member of the German Actuarial Association (DAV). As a manager of PwC Germany's actuarial practice, Janka has worked on various Solvency II projects. She has assisted her clients with the QIS 5 exercise, in the pre-approval process for their internal model and in understanding and implementing Solvency II ORSA requirements.
