

CALL FOR MEMBERS TO SERVE ON THE AFIR/ERM COMMITTEE

We are actively seeking volunteers to join our energetic and dedicated committee. Join today!

The AFIR/ERM Section organizes conferences around the globe, 2019 will be in Italy and 2020 will be in France. We support the ASTIN Bulletin and award annual prizes for the best AFIR/ERM paper published in it. We have a calendar of webinars available for our members and have recently formed an exciting partnership with the 2018 ICA in Berlin to host a VIRTUAL conference for members!

The committee meets regularly by teleconference to discuss issues and plan activities.

The next opportunity to join our committee will be at the General Assembly on Friday June 8, 2018 during the International Actuarial Congress in Berlin.

I'm interested! How do I join?

Simply nominate yourself and/or any other AFIR/ERM Member by sending an email to Michael Sherris (m.sherris@unsw.edu.au) with a copy to Carol Ann Banks (carolann.banks@actuaries.org) by April 30, 2018 indicating your interest as well as a one-page summary (max) of:

- your background
- statement of why you would be a good choice for committee member
- photograph of yourself (optional)

We look forward to having you on our team!
