Subject: NOTICE: Berlin Accommodation

Dear all,

Following the hotel reservation procedure [announcement](#) that was sent last Friday, it has come to my attention that delegates are encountering problems making their accommodation booking.

We are dealing with two room blocks that have pre and post booking dates that overlap resulting in technological issues. Delegates should reach out directly to the hotel to sort out their accommodation: Bettina Beyer, Manager Group Reservations (b.beyer@estrel.com)

Thank you for your patience and understanding,
Anne
