Subject: IMPORTANT UPDATE: Chicago accommodation

Good news!

According to the IAA group reservation listing with the Westin Chicago River North, many familiar faces will join us for the Council and Committee meetings....

...but there's a twist!

- The IAA bedroom block has been increased to its maximum number of available rooms and is **sold out**.
- The Westin Chicago River North is sold out of standard rooms for the nights of October 6 and 7. However, higher grade/price rooms are still available and can be booked directly on their website.
