

# LIVING to 100

SOCIETY OF ACTUARIES  
INTERNATIONAL SYMPOSIUM

Living to 100 Symposium | January 4–6, 2017 | Orlando, Florida

## Call for Papers

The Committee on Living to 100 Research Symposia requests professionals, knowledgeable in the important area of longevity and its consequences, to prepare a high quality paper for presentation for the 2017 Living to 100 Symposium in Orlando, Florida. The topics of interest include, but are not limited to:

- Theories on how and why we age;
- Methodologies for estimating future rates of survival;
- Implications for society, institutions and individuals, as well as changes needed to support a growing aging population; and
- Applications of existing or new longevity theories and methods for actuarial practice.

Please submit an abstract or outline of your proposed paper by **Sept. 30, 2015**. The abstract should include a brief description of the subject of the paper, data sources and methods to be used, key items to be covered, and how your paper will contribute to current knowledge, theory and/or methodology.

A brief curriculum vitae or resume is also required.
