Strategic Planning - Vision

Earlier this year delegates to Council supported the following statements of vision, mission and values for the IAA:

Vision

The actuarial profession is recognized worldwide as a major player in the decision-making process within the financial services industry, in the area of social protection and in the management of risk, contributing to the well-being of society as a whole.

Strategic Planning - Mission

Mission

The mission of the IAA, as the worldwide organization of actuarial associations, is:

- to promote professionalism, develop education standards and encourage research, with the active involvement of its Member Associations and Sections, in order to address changing needs; and
- to represent the actuarial profession and promote its role, reputation and recognition in the international domain.

Strategic Planning - Values

Values

The IAA adheres to the values of
integrity

accountability

transparency

and objectivity

when dealing with Member Associations,
other stakeholders and the public.

Strategic Planning – Next Steps

Six strategic objectives proposed:

1. Relationships with key supranational audiences
2. Expansion of scientific knowledge to wider fields to enhance the scope, quality, and availability of actuarial services
3. Common standards of actuarial education and professionalism as well as guidance for actuarial practice
4. Support the development, organization, and promotion of the actuarial profession
5. Provide a forum for discussion
6. Globalization of the actuarial brand
