# Vision

The actuarial profession is:

- ▶ recognized worldwide as a major player in the decision-making process within the financial services industry
  - in the area of social protection and in the management of risk
- ▶ contributing to the well-being of society as a whole.

# Mission

- ▶ To represent the actuarial profession and promote its role, reputation and recognition in the international domain.
- ▶ To promote professionalism, develop education standards and encourage research, with the active involvement of its Member Associations and Sections, in order to address changing needs.

# Strategic Objective 5

- ▶ Provide a forum for discussion among actuaries and actuarial associations throughout the world

# 2014 Priorities

- ▶ The strengthening of our relationships with relevant supranational organizations.
- ▶ Several of these relationships are governed by a formal memorandum of understanding.
- ▶ Strengthen the Governance Model of the IAA to make it more efficient and effective.
- ▶ Adopt a Value Proposition for our member associations
- ▶ And HAVE SOME FUN!!
