

Group Feedback and Discussion

Expectations of FMAs for the IAA

IAA Presidents Forum
Chicago, IL

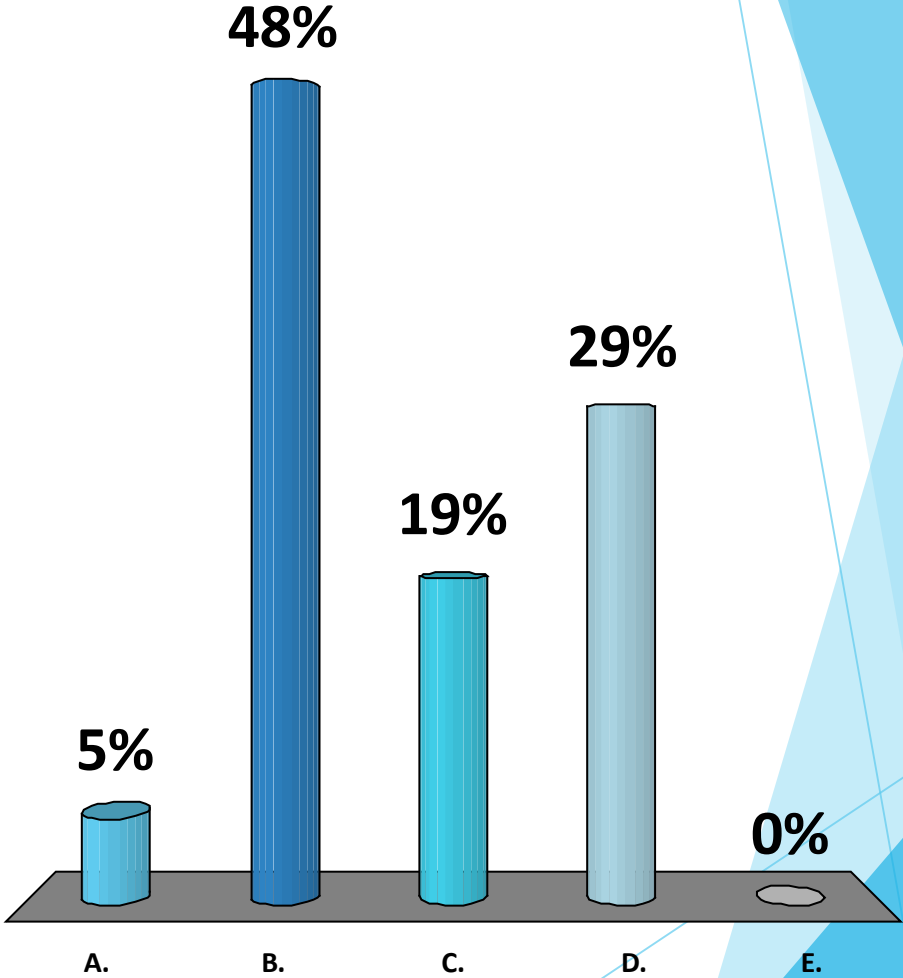

Chicago is best known for:

- A. Al Capone and gangsters
- B. World-famous architecture
- C. Deep-dish pizza
- D. Chicago hot-dogs
- E. Michael Jordan & Chicago Bulls
- F. Chicago Cubs
- G. Chicago Blackhawks
- H. Bad traffic
- I. Never heard of Chicago until I arrived here

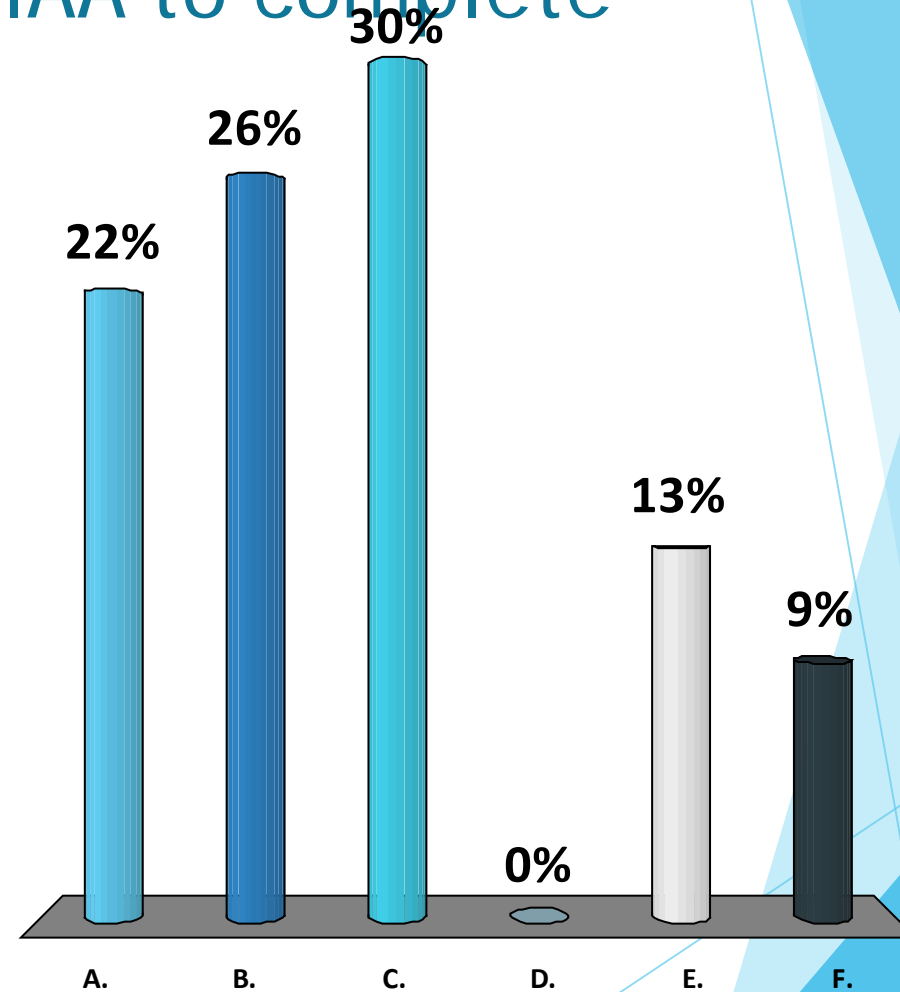

What is the primary role of the Presidents Forum?

- A. Provide a place for FMA Presidents to gather during the IAA meeting
- B. Discuss items of concern to FMA Presidents
- C. Share information with other FMAs
- D. Learn about new topics of interest to FMA Presidents
- E. Other

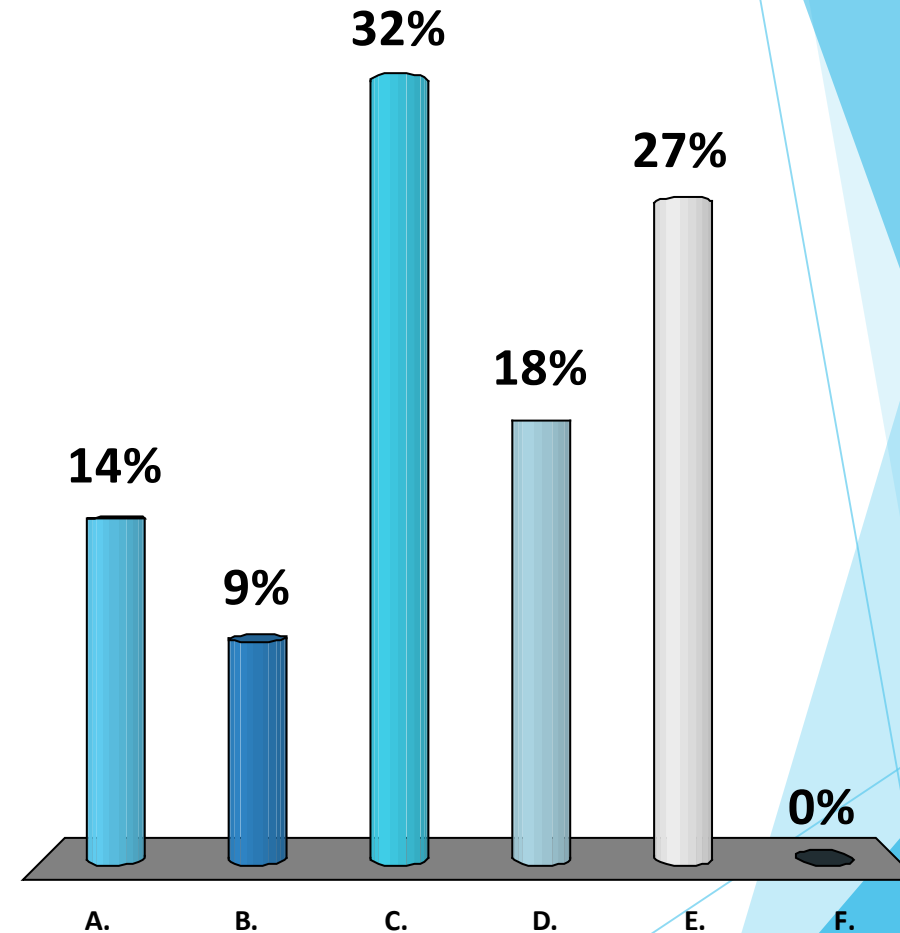

Which IAA Strategic objective do you believe is the most important for the IAA to complete their mission?

- A. Obj. 1: Develop relationships with key supranational audiences to improve soundness of decisions with global impact.
- B. Obj. 2: Facilitate expansion of scientific knowledge and skills of the actuarial profession, including beyond traditional areas of practice, to enhance quality of actuarial services
- C. Obj. 3: Establish common standards of actuarial education and principles of professional conduct. Promote actuarial standards usage and the global convergence of actuarial standards.
- D. Obj. 4: Support the profession in areas of the world where not present or fully developed.
- E. Obj. 5: Provide a global forum for discussion among actuaries/associations.
- F. Obj. 6: Improve recognition of the actuarial profession among external audiences.

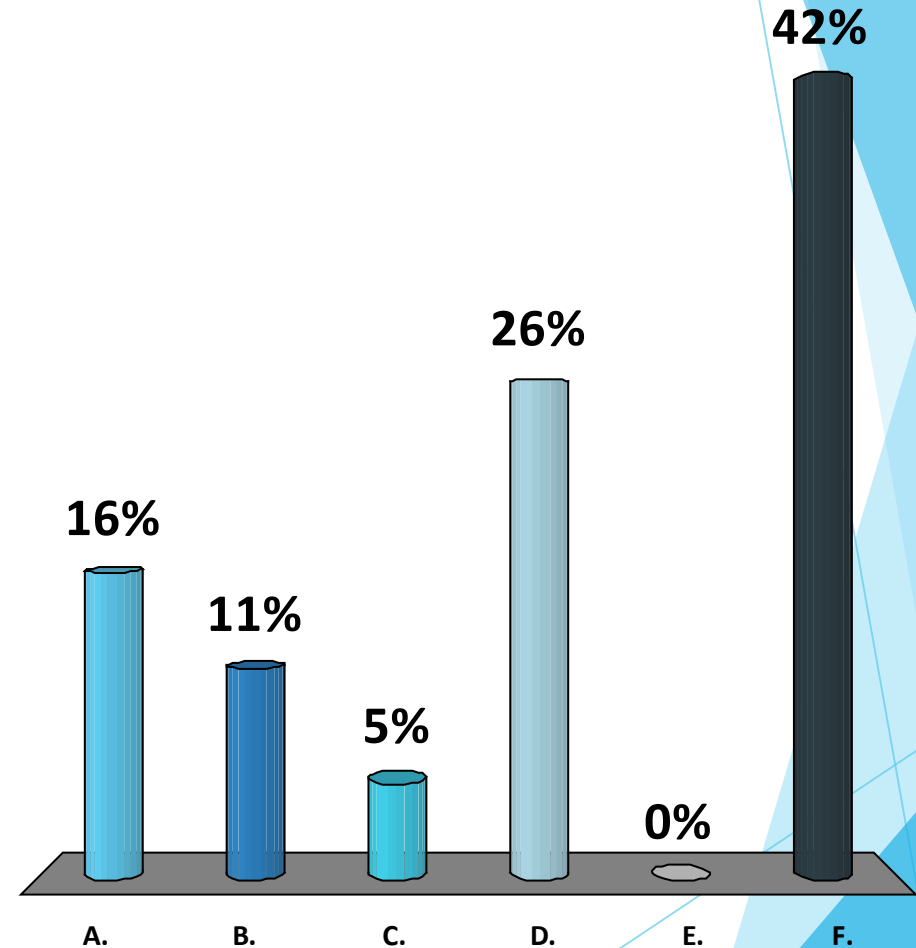

From your perspective as an FMA, which IAA strategic objective do you value most?

- A. Obj. 1: Develop relationships with key supranational audiences to improve soundness of decisions with global impact.
- B. Obj. 2: Facilitate expansion of scientific knowledge and skills of the actuarial profession, including beyond traditional areas of practice, to enhance quality of actuarial services
- C. Obj. 3: Establish common standards of actuarial education and principles of professional conduct. Promote actuarial standards usage and the global convergence of actuarial standards.
- D. Obj. 4: Support the profession in areas of the world where not present or fully developed.
- E. Obj. 5: Provide a global forum for discussion among actuaries/associations.
- F. Obj. 6: Improve recognition of the actuarial profession among external audiences.

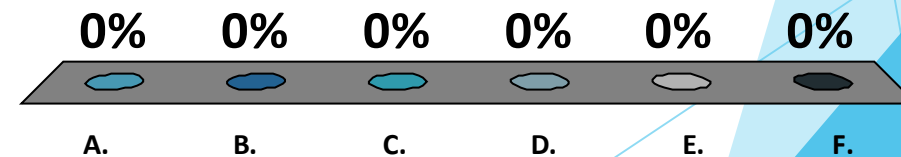

Which IAA strategic objective do you believe is the least important for the IAA to complete their mission?

- A. Obj. 1: Develop relationships with key supranational audiences to improve soundness of decisions with global impact.
- B. Obj. 2: Facilitate expansion of scientific knowledge and skills of the actuarial profession, including beyond traditional areas of practice, to enhance quality of actuarial services
- C. Obj. 3: Establish common standards of actuarial education and principles of professional conduct. Promote actuarial standards usage and the global convergence of actuarial standards.
- D. Obj. 4: Support the profession in areas of the world where not present or fully developed.
- E. Obj. 5: Provide a global forum for discussion among actuaries/associations.
- F. Obj. 6: Improve recognition of the actuarial profession among external audiences.

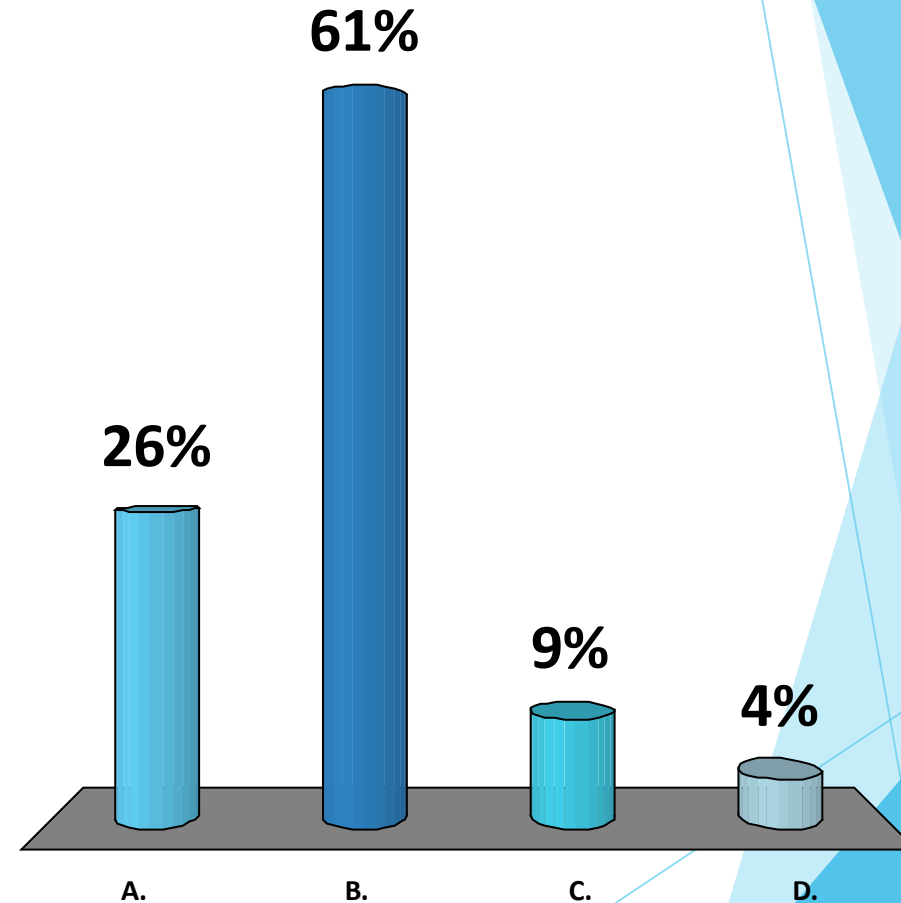

From your perspective as an FMA, which IAA strategic objective do you value least?

- A. Obj. 1: Develop relationships with key supranational audiences to improve soundness of decisions with global impact.
- B. Obj. 2: Facilitate expansion of scientific knowledge and skills of the actuarial profession, including beyond traditional areas of practice, to enhance quality of actuarial services
- C. Obj. 3: Establish common standards of actuarial education and principles of professional conduct. Promote actuarial standards usage and the global convergence of actuarial standards.
- D. Obj. 4: Support the profession in areas of the world where not present or fully developed.
- E. Obj. 5: Provide a global forum for discussion among actuaries/associations.
- F. Obj. 6: Improve recognition of the actuarial profession among external audiences.

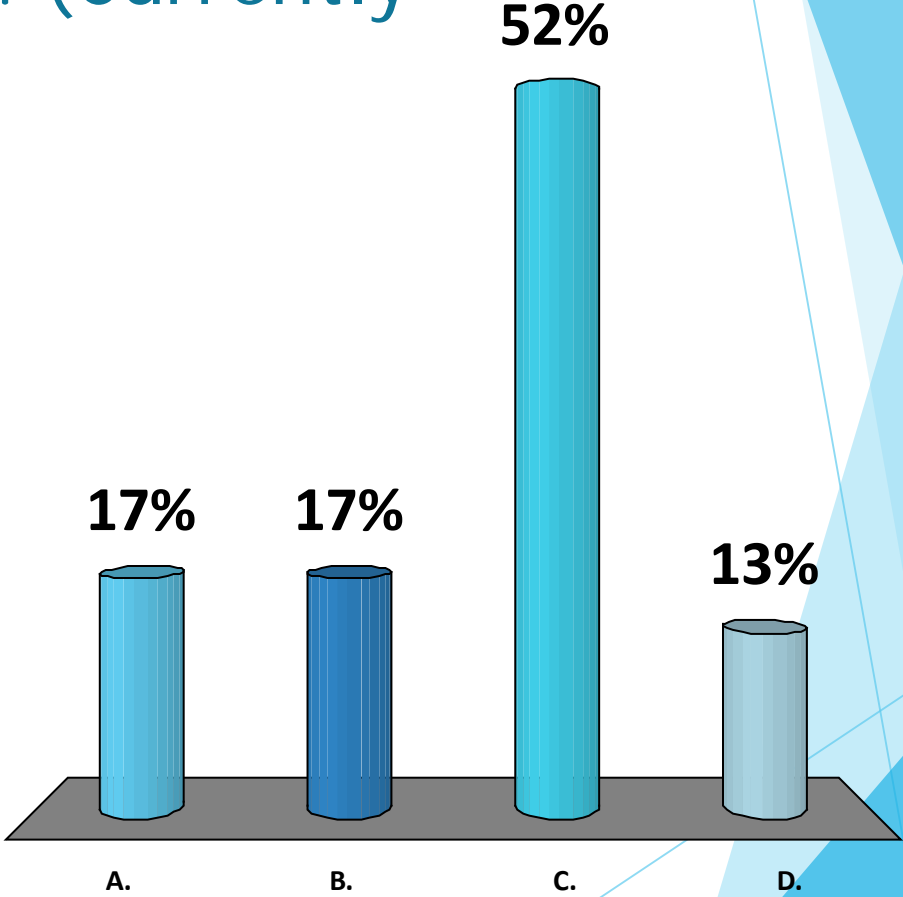

How much involvement with the IAA do FMAs desire?

- A. High level - We would like to be sought out for projects, ideas and input, and any potentially relevant work the IAA is seeking to do
- B. Moderate level - We would like the opportunity to be notified of projects and work that may be relevant so we can provide input, with direct involvement only for a few projects
- C. Low level - We prefer to be kept up to date on ongoing projects and work of the IAA, but cannot be directly involved in any projects
- D. Other

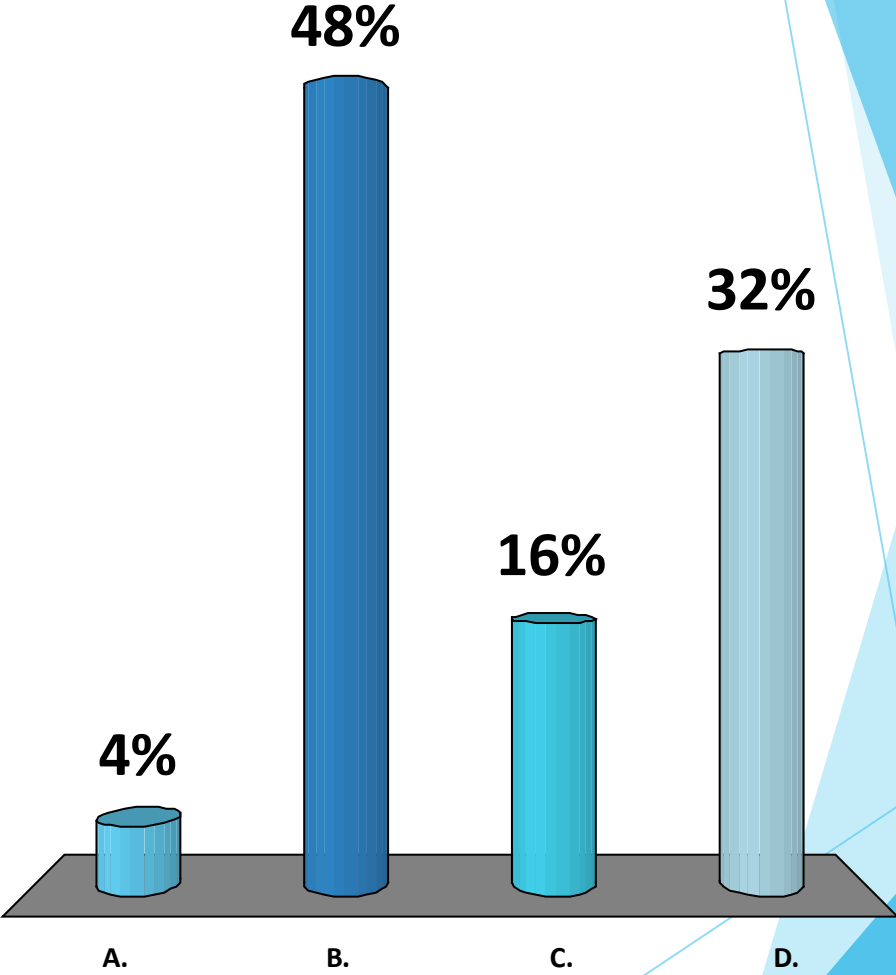

The IAA currently has an appropriate balance of committees, subcommittees, working groups, etc. to accomplish their mission? (Currently there are approximately 65.)

- A. Agree
- B. Neutral
- C. Disagree
- D. No opinion

There is currently an appropriate balance between decisions made by IAA Executive Leadership and the Council?

- A. Agree
- B. Neutral
- C. Disagree
- D. No opinion

The background features abstract, overlapping geometric shapes in various shades of blue, ranging from light sky blue to deep navy blue. These shapes are primarily located on the left and right sides of the frame, creating a modern, dynamic feel. The central area is a clean, white space where the text is placed.
