Our Vision

The actuarial profession is recognized worldwide as a major player in the decision-making process within the financial services industry, in the area of social protection and in the management of risk, contributing to the well-being of society as a whole.
Our Mission

The mission of the IAA, as the worldwide organization of actuarial associations, is:

➢ to represent the actuarial profession and promote its role, reputation and recognition in the international domain
➢ to promote professionalism, develop education standards and encourage research, with the active involvement of its Member Associations and Sections, in order to address changing needs
Our Values

The IAA adheres to the values of integrity, accountability, transparency, and objectivity when dealing with Member Associations, other stakeholders and the public.
Our Objectives

1. **Relationships** with key international audiences
2. **Expansion of scientific knowledge** and skills of the actuarial profession
3. Encourage sound **practice** and **education** standards
4. **Promote development** of the profession
5. Provide a **forum for discussion**
6. Improve recognition of the actuarial profession (**branding**)
