

**AWF SECTION  
REPORT FOR THE PERIOD NOVEMBER 2004 – MAY 2005**

1. Election of the Committee members

During its first meeting in Washington, November 13, the General Assembly of the section elected as members, Jean Berthon, Edward Levay, Bob Conger, Fred Rowley, Peter Clark, Norm Crowder, Steve Handler, Jean-Michel Kupper, Jean-Louis Massé and François-Xavier Hay. The two IAA delegates, Bob Collett and Luis Huerta have been provisionally appointed by the IAA.

2. At the subsequent Committee meeting, Jean Berthon was re-elected as Chairman, Edward Levay as Vice-Chairman, Fred Rowley as Secretary and Bob Conger as Treasurer.

3. During the year to come it was decided that the section should develop some communication tools for the purpose of informing the IAA members about the role of this section, to make an inventory of available skills inside the membership and to gather information on possible suitable projects.

4. Also a marketing brochure should be created to be distributed to the relevant organisations and NGOs.

In parallel with these activities, voluntary involvement of student actuaries should be encouraged, like it is the case for young French actuarial students in India.
