3rd African Actuarial Congress
From 24 until 26 April 2013
Lome - Togo

Message from the President of the AAT -
Mina KETEVI

Ladies and Gentlemen

The Actuarial Association in Togo (AAT) is pleased to
host the Third African Actuarial Congress organized
under the auspices of the Fund of the International Actuarial
Association (IAA).
In this current economic context, the topic «the actuarial
profession and sustainable development in Africa», is part of an economic and financial good governance
outlook. Therefore, this Congress represents a turning
point for the actuarial profession in Africa.
We thank the highest Togolese authorities for their sig-
nificant involvement and support.
To all the sponsors for their financial and material sup-
port, the success of this conference is your success
above all.
We thank all the speakers as well as the participants
whose dedication we are grateful for and these two
days that will be spent sharing knowledge and expe-
rience.
Finally, we thank Mr. Chris Daykin, CEO of IAA Fund
and Ms. Renata De Leers, Secretary of Actuaries With-
out Borders Section of the IAA for their dedication to-
wards making th success of this conference involve-
ment.
On behalf of the AAT, I wish you successful working
spdeliberations and a pleasant stay in Togo.
