Welcome to the Actuarial Colloquia 2021!

The actuarial field related to non-life insurance and the financial industry continues to evolve, making it vital for professionals from around the world to share ideas that lead to innovations and improvements. In the spirit of pushing ideas forward, we present the 2021 Actuarial Colloquia, which comprises the AFIR-ERM (Finance, Investment & Enterprise Risk Management) and ASTIN (Non-Life Insurance) Sections of the International Actuarial Association (IAA). The Casualty Actuarial Society (CAS) is delighted to host the 2021 Actuarial Colloquia in Orlando, Florida, USA. These colloquia will bring together the best actuarial researchers and practitioners, along with their papers exhibiting the latest actuarial and scientific techniques.

The 2021 Actuarial Colloquia website is https://actuarialcolloquia2021.org/.

Call for Papers

ASTIN Section members, AFIR-ERM Section members, the international actuarial community and other academics, experts and professionals who are interested in the fields of actuarial studies in Non-Life insurance, reinsurance, enterprise risk management and financial risks are encouraged to submit a paper to the 2021 Actuarial Colloquia Orlando.

The colloquia will be the source of the global actuarial knowledge delivered through a series of plenary sessions, parallel workshops, insightful keynotes and group discussions designed to identify and leverage key trends of actuarial, social and economic research and new technologies to create a strategic advantage for the actuarial profession.

Questions related to the 2021 Actuarial Colloquia may be directed to meetings@casact.org.
