

actuteam - Take on the Challenge!

From **6-10 September 2021**, the Actuarial Media Center will hold the first **actuteam Championship** – an insurance simulation game especially designed for actuaries and specialists in insurance and finance.

Five teams each with five members from all over the world will compete against each other to win the game and have the right to call themselves **2021 actuteam Champion**.

in cooperation with  **Swiss Re
Institute**

What?

The challenge is based on the world's leading business simulation game for the industry developed by the Swiss Re Institute.

During the five days, the teams will take on the challenging role of an executive board, managing a small to medium-sized P&C insurer under the existing Solvency II regime. Decisions on strategy and operations need to be taken on a yearly basis. After each year of simulation a detailed analysis and discussion of the company's performance and the effects of Solvency II on risk and capital management will be conducted.

Finally, after four simulated business years, a review will decide which company had the most successful strategy and will thus be crowned 2021 actuteam Champion.

Players feedback:

"I really enjoyed this event, as we had to decide as a team after receiving the necessary information from the lecturers and it was really fun to work with all the other participants in my team to accomplish the challenge."

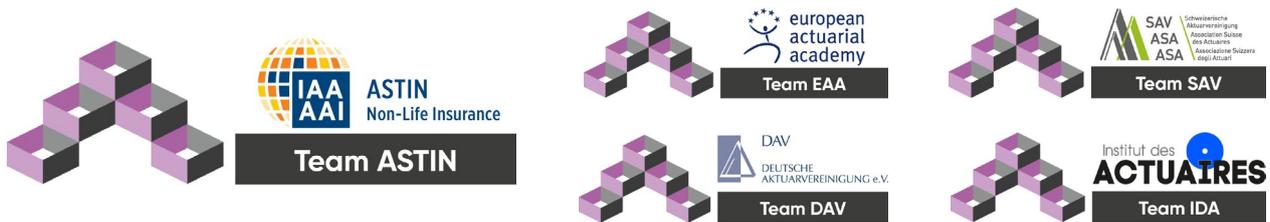

"It was a very nice training. The explanations were great and the teamwork was really good."

"A great event, lot of insights, fun and networking! Thank you!"

Who?

The actuteam Championship is suitable for all actuaries, actuarial trainees, risk-managers and other professionals who work on economic valuation or other Solvency II tasks.

Players can join via the participating actuteam partners. For this pilot the following teams are taking part:

To apply to join the team ASTIN please see the information at the bottom of this page.

When and where?

- Tech Onboarding dates: 30 or 31 August 2021
- Date of actuteam Championship: 6-10 September 2021, 9.00-13.00
