

WHO WE ARE

"A Global Forum for Consulting Actuaries" bringing

- International collaboration and best practice
- Networking by sharing local cultures, thought leadership and practical applications
- Progress through creativity and innovation
- Higher public awareness as actuaries in the broader society

Developing a growing family of consulting actuaries expanding our circle of influence.

WHAT YOU GET

- Activities to link arms, implement ideas and expand business
 - Colloquia 2019 in Cape Town and 2020 in Paris
 - Congresses every 4 years, 2022 in Sydney, 2026 in Tokyo
 - Seminars with local associations:
 - CAA November 2018 in Jamaica,
 - ACA January 2019 in London
- Watch post Berlin Virtual ICA (www.virtual-ica2018.org) supplying over 150 hours CPD; listen to prominent speakers on a wide range of important global topics
Join IACA to get your passcode
- Tender warehouse, a business tool connecting consultants with projects
- Business development database bringing us closer across many cultures
- Public policy webinar series to debate value options and educate for decision making
- Newsletters with features to raise the profile of IACA and foster thought leadership
- Opportunity for younger actuaries to engage with peers and build core consulting skills

YOUR CONTRIBUTION

- Provide foundation of ethics, professionalism, transparency and technical skills that consulting actuaries bring to customers
- Share your local professional culture with colleagues in global context
- Wisdom to fix systems essential to society (For example: insurance, retirement, healthcare, elderly care, regulatory, food supply, transport, energy, disaster services)
- Form stronger networks for innovation and business development
- Volunteer to hone leadership skills
- Give IACA identity and purpose
