Members and Observers of the Insurance Regulations Committee (IRC),
The IAIS has published for consultation their application paper which focuses on the
customer-facing aspects of insurance provision.
Link to the consultation documents

The IAIS will host a virtual background session on **17 July 2024 14:00 – 15:00 CEST** to
present the application paper and answer any questions from stakeholders. Click [here](#) for
details and registration.
The IAA intends to submit a formal response to the IAIS. The response will be developed by
the IRC, following the IAA due process for making a public statement.

We kindly request you to use [this link to the SharePoint document](#) with the consultation
questions to leave your responses. All consultation questions are optional, so you may
comment only on a subset of questions.

**The deadline to submit comments to the IAIS is 25 September 2024.**

Please submit your initial comments via the SharePoint link by 31 July 2024, so that the IRC
leadership can collate them and prepare a draft response for consideration.

Regards,

Amali/For Nick Dexter, Chair -IRC
