CIA/CAS/SOA Survey regarding Intent to Participate in Negative Interest Rates Project

Audience: Member Association Correspondents

The following message is shared with you on behalf of the joint Risk Management Section of the Canadian Institute of Actuaries, the Casualty Actuarial Society, and the Society of Actuaries. Please share this message with the members of your organization, requesting them to indicate their willingness to participate in the upcoming survey, using the link provided within the message.

The Joint Risk Management Section of the Canadian Institute of Actuaries, the Casualty Actuarial Society, and the Society of Actuaries along with the Joint Risk Management Research Committee are sponsoring a survey on negative interest rates. The project is intended to provide insurance company actuaries and risk managers with information on the range of attitudes and risk management practices across the insurance industry with respect to negative interest rates, both inside and outside of jurisdictions that have experienced negative interest rates.

To help with planning, the sponsors would appreciate knowing your company's interest in participating in the survey. If your company is willing to participate, please indicate in the link below your intent to participate by **Monday, April 30th**.

[INTENT TO PARTICIPATE](#)

Should sponsors decide to move forward with the survey, companies indicating a willingness to participate will be contacted.

Thank you for your consideration.

Questions about the study may be directed to [Ronora Stryker](#), the Research Actuary responsible for this project at the Society of Actuaries.
