### Executive Committee Report to Council

**Audience:** Council Delegates; Presidents of Full Member Associations, Chairpersons of Committees, Working Groups, and Sections; Chief Staff Officers

The Executive Committee (EC) of the IAA decided that the reports to Council from the EC meetings will now be the same as the minutes from EC meetings (apart from any potentially confidential matters specifically designated by the EC as such). These reports will also include links to documents where the EC made a final decision. The minutes from the EC meeting on January 22 are now available [online](#). This is intended to provide you with an enhanced insight into the work of the EC and to serve a deeper communication between EC and Council, FMA and IAA leaders. Should you have any questions or comments, please contact the [Executive Director](#).
