ASTIN**

ASTIN (Non-Life-Insurance)

What we are

ASTIN focuses on **non-life insurance**.

We bridge the gap between practitioners and academics by advancing innovation and fostering meaningful research that:

Stimulates academics to explore frontiers that are relevant in practice; and

- Catalyzes the transfer of state-of-the-art techniques from academia to the industry.
- We also create an environment that promotes continuing professional development among our members.

What we do

Conferences and Seminars
