Dear Mr. Guerard,

Hope all is well.

We would like to express our thanks, on behalf of the trustees and participants, for your valuable contribution and active participation in rendering our 10th Regional Pension and Social Insurance Conference a success. Your presentation was unquestionably excellent.

We were really glad and proud having you among us as a speaker and we look forward to your support in our future events.

Furthermore, we are pleased to inform you that the surplus of the conference has helped to grant three scholarships in the actuarial field to Bahraini students as well as part financing a study to publish the 1st mortality tables for the GCC countries.

We would like, also, to take this opportunity to thank the Bahrainis for their warm welcome and wonderful hospitality.

Please note that the conference photos are posted on our website <http://www.muhanana.org/2006/pg.htm> and if interested you may look through all the presentations given at the conference <http://www.muhanana.org/2006/Presentations.htm>

Best Regards,
