Notice of Public Submission - IAIS Public Consultation on Climate risk supervisory guidance – market conduct and scenario analysis

Audience: All Full Member Associations (Council Delegates and Correspondents) for necessary action

The International Association of Insurance Supervisors (IAIS) launched its fourth consultation on climate risk in the insurance sector which includes proposed new supporting material to better reflect climate-related risk as part of effective supervisory practice. For more details, please [click here](#). Comments are invited by 30 September 2024 24:00 CET

A public background session webinar will be held on **Tuesday 27 August 13:00–14:00 CEST** to present the documents and answer any questions from stakeholders. Click [here](#) for details and registration.

The IAA intends to submit a formal response to this consultation. The [Insurance Regulation Committee](#) (IRC) will be responsible for formulating the response to the IAIS on behalf of the IAA. The response will be developed in accordance with the requirements of the IAA Due Process for Making a Public Statements.

All members and observers of the IRC have been requested to provide input to the response. The developing drafts and the final response will be shared with the IRC. Please ensure that your association's input is provided via your representatives in the IRC.

If your association does not have a member or an observer in the IRC, you may nominate an observer to the drafting group to review the developing response. We request you to contact [Amali Seneviratne \(Director Technical Activities\)](#) at the IAA Secretariat as soon as possible, but **no later than 15 August 2024** if your association wishes to nominate an observer. Please note that this will be your only opportunity to influence the development of the response, as it will not be circulated outside the IRC.

The final response will be submitted to the IAIS on or before 30 September 2024, subject to approval by IRC members.

IAA AI Task Force

Audience: All

The IAA established the Artificial Intelligence Task Force (AITF) in 2023, adopting a [Statement of Intent for IAA Activities on Artificial Intelligence \(AI\)](#).

Please visit the [AITF webpages](#) for more details, progress, and deliverables of the Task Force and its five work streams.

Paper on Lessons Learned from Pandemics

Audience: All

The IAA released a [Paper on Lessons learned from Pandemics](#). This is an educational paper intended for an audience of actuaries, especially those who may not have been closely involved with pandemics research or analysis, as well as non-actuarial stakeholders who wish to consider the actuarial response to future pandemics.
