Climate Risk Webinar: Actuarial Considerations Around Climate-Related Risks on Social Security

Audience: All

The banner features the IAA (International Actuarial Association) and ISSA (International Social Security Association) logos at the top. A central graphic shows a large tree with a play button icon and the word 'WEBINAR'. Below this, the title 'Actuarial Considerations Around Climate-Related Risks on Social Security' is displayed. Five circular portraits of the speakers are shown: Jackie Ruan, Marcelo Abi-Ramia Caetano, Barbara D'Ambrogio-Ola, Assia Billig, and Michelle Dong. At the bottom, a date and time box indicates '16 September, 2024' from '11:00am - 12:15pm UTC'.

On behalf of the International Actuarial Association's (IAA) Climate Risk Task Force and the International Social Security Association (ISSA) Technical Commission, we are pleased to invite you to register for our upcoming joint webinar titled "Actuarial Considerations Around Climate-Related Risks on Social Security."

The [paper](#), which was published in June 2024, is the seventh in a series of papers published by the Climate Risk Task Force. This paper explores the implications of climate-related risks on social security, focusing on actuarial perspectives. The aim of this paper is to create awareness and assist actuaries (and others) to understand the role actuaries can play in collaboration with social security professionals to design resilient programs.

This webinar is free of charge and open to all interested participants.

Council and Committee Meetings – Tallinn, Estonia

Audience: Members of the committees meeting in Tallinn

The Tallinn meetings are fast approaching; hence this is a friendly reminder that if you are **attending in person**, it is important that:

- You ensure that your guestroom is booked. The IAA block will be released back to the hotel on **September 4, 2024**.
- Register before the deadline of **September 12, 2024**. This will ensure that you have access to all the materials and information you need, and that logistics are planned accordingly.
 - If you already completed the registration form, please [click here](#) to ensure that your registration was received at the Secretariat. (note that you must be logged into your IAA account to view.)
- [Click here to access the event's website](#).

Please do not hesitate to contact [Anne Lamarche](#) for any questions or concerns.

IACA Awards

Audience: All

The IACA Section is pleased to announce the winners of the 2024 Geoffrey Heywood and 2024 Max Lander Awards. 🏆

The Max Lander Award, named after a founding member, recognizes contributions to the public awareness of the actuarial profession and promotion of the business of consulting actuaries. This year, David Wilkie and Yves Guérard are the recipients of the award.

The Geoffrey Heywood Award, honouring the founding Chairman, is given to young consulting actuaries for significant services to the public and the profession. Sahib Singh Khosla was selected as this year's recipient.

Congratulations to all the winners!

Consulting Actuaries

IACA Max Lander Awards 2024

In 2004, IACA inaugurated a "Consulting Actuary Lifetime Achievement Award". This award is named in honour of the late Max Lander who was a founding member of IACA and the initial IACA Secretary-Treasurer. The Max Lander Award is given to a member of the actuarial profession who has contributed to the public awareness of the work of the actuarial profession and the promotion of the business of consulting actuaries. This year IACA is pleased to present the Max Lander Award to two actuaries.

David Wilkie
United Kingdom

Alasdair David Wilkie is Chairman of his own consulting firm – InQA Limited. He was previously a long-serving partner at R Watson & Sons, and later consultant at Watson Wyatt in the United Kingdom. He has been granted numerous medals and honorary degrees from across the actuarial world. He is probably best known for the Wilkie Model, a stochastic model of future inflation and investment behaviour.

Yves Guérard
Canada

Yves Guérard is President of Guérard Consultants Inc. He previously served in various consulting senior roles with Sobeco Group, and later Ernst & Young (Canada). Throughout his career, he served clients in Canada and across the world in the pension, insurance and social security fields. Yves also served as Secretary-General of the IAA from 1997-2010 and was awarded the IAA Medal in 2010.

The Geoffrey Heywood Award 2024

At the 2014 Congress, IACA inaugurated a "Young Consulting Actuary High Achievement Award". This award is named in honour of Geoffrey Heywood MBE who was the founding Chairman of IACA. The Geoffrey Heywood Award is given to a young consulting actuary who has provided significant services to the public and the actuarial profession.

Sahib Singh Khosla is the Executive Director, Chief Strategy & Growth Officer, and Resident Actuary at Lux Actuaries & Consultants in Kenya. He is also the Immediate Past President of The Actuarial Society of Kenya and an Adjunct Faculty member at Strathmore University's Institute of Mathematical Sciences. Sahib received the Head of State's Commendation decoration for leading a national project on social risk and human rights, specifically addressing statelessness in Kenya. He was one of the youngest civilian recipients and the first actuary in Kenya to receive a national honor.

17th Asian Regional Seminar – Hong Kong

Audience: All

“The Future of Actuarial Work”

We are pleased to invite you to the 17th Asian Regional Seminar under the theme “The Future of Actuarial Work”. The seminar will take place on 22 October 2024 right before the start of the AAC at the Ocean Park Marriott Hotel in Hong Kong.

As in previous years we have joined forces with AAC organizers, the Actuarial Society of Hong Kong (ASHK), to make this seminar possible and the ASHK proposes the generous offer below to seminar attendees interested to stay and enjoy the Asian Actuarial Conference (AAC). This seminar will take place in-person only. Given that it is free of cost, we will accommodate the first 60 interested participants. Do not miss this opportunity and contact Karla Zuñiga, at karla.zuniga@actuaries.org, to reserve your seat!

 [Click here for more details on the program and to register](#)

Asian Actuarial Conference – Hong Kong

The Actuarial Society of Hong Kong (“ASHK”) will host the Asian Actuarial Conference (“AAC”) following the IAA Asia Regional Seminar. The theme of the AAC is *Exploring the future of insurance and beyond: Innovation, international hubs and Hong Kong*. As one of the largest actuarial events in 2024, we gather close to 100 internationally renowned speakers and panelists, attracting more than 700 actuarial professionals and executive leaders from insurance and other industries across Asia. To ensure that you have the best experience in Hong Kong, review the program prepared by the ASHK for the AAC.
